

PERMIT TERM G

Title: Fish Bypass on Lower Pescadero Creek or Butano Creek (San Mateo County)

When Used: Permits on Lower Pescadero Creek or Butano Creek.

Term:

The State Water Resources Control Board reserves jurisdiction over this permit to change the fish bypass amounts to conform to the results of a comprehensive field study to be completed by the California Department of Fish and Game to determine minimum streamflow required to protect fishlife. Action to change the bypass amounts will be taken only after notice to interested parties and opportunity for hearing.

No water shall be diverted under this permit until permittee has installed a device, satisfactory to the State Water Resource Control Board, which is capable of measuring the flows required by the conditions of this permit. Said measuring device shall be proper maintained. As an alternative, a single measuring device installed and maintained jointly by all water users on Lower Pescadero Creek (or Butano Creek*), located at a position on the creek acceptable to the Department of Fish and Game and the State Water Resources Control Board, may be substituted.
